### H. FINANCIAL ASSISTANCE AND PAYMENT PROGRAMS

- American K-9 Interdiction, LLC.™ (AK9I™) is proud to announce that they have partnered up with Meritize, a comprehensive lending company focused on solutions for student loans. Meritize will be able to provide up to \$15,100 in financing. The only prerequisites are that a minimum of 50% of the total tuition amount is due prior to the beginning of class, and that the remaining balance due to AK9I™ must be paid in full within six months of graduation. It can be a combination of funding from Meritize and private funds. Students can then arrange to either pay the balance in full or set up an interest free payment plan for the balance, through AK9I™ provided that the balance is paid in full within six months.
- Example 1:** Student A opts to attend the 13-week course which costs a total of \$24,100. 50% of that amount would be \$12,050. They get approved for the max amount of \$15,100 from Meritize at a repayment term of 120 months, so that satisfies the dollar amount needed to begin classes. The student then sets up a payment plan with AK9I™ for the remaining balance of \$9,000 which can be repaid up to 6 months from the date of graduation at 0% interest.
- Example 2:** Student B opts to attend the 13-week course, which costs a total of \$24,100, with \$12,050 needed up front. The student gets approved for \$10,000 in funding from Meritize, payable over 120 months. The student would need an additional \$2,050 to provide to AK9I prior to the beginning of class. The remaining balance of \$12,050 can then be set up on an interest free payment plan which can be repaid up to 6 months from graduation.
- The Meritize platform will offer educational financing to qualified students enrolled in the approved programs and have the flexibility of choosing from multiple repayment options that each have a post course completion grace period. Meritize brings more than traditional lending services to the student as they offer a substantial amount of support for post-employment such as resume writing, interview preparation, networking assistance, and other career services.

### J. VA DELAYED PAYMENT COMPLIANCE

In accordance with the Veterans Benefits and Transition Act of 2018, Section 103, effective 1 August, 2019, it is AK9ITA's policy that we will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to AK9ITA due to the delayed disbursement funding from VA under Chapter 31 or Chapter 33.

### K. CANCELLATION AND REFUND POLICY

Rejection: An applicant rejected by the school is entitled to a refund of all monies paid.

Program Cancellation: If AK9ITA cancels a program after a student's enrollment, we will refund all monies paid by the student.

Cancellation Prior to the Start of Class or No Show: If an accepted applicant cancels prior to the start of scheduled classes or never attends class (no-show), the student is due a refund all monies paid.

Three-Day Cancellation: An applicant who provides written notice of cancellation within three (3) business days, excluding weekends and holidays, of executing the Enrollment Agreement is entitled to a refund of all monies paid.

Other Cancellations: An Applicant requesting cancellation more than three (3) days after executing the Enrollment Agreement and making an initial payment, but prior to the first day of class, is entitled to a refund of all monies paid.

#### Withdrawal Procedure:

- A. A student choosing to withdraw from the school after the commencement of classes is to provide a written notice to the Administrator of the school. The notice must include the expected last date of attendance and be signed and dated by the student.
- B. If *special circumstances* arise, a student may request, in writing, a leave of absence, which should include the date the student anticipates the leave period beginning and ending. The student will confer with the School Administrator to determine a re-convene date, if possible. If no rescheduling arrangements can be made, the official withdrawal date will be the date the student departs for the leave of absence.
- C. A student will be determined to be withdrawn from the school if the student misses 5 consecutive instructional days and all the days are unexcused.
- D. All refund requests must be submitted within 45 days of the determination of the withdrawal date.

#### Refunds

a. Refund amounts must be based on a student's last date of attendance (LDA). When determining the number of weeks completed by the student, the institution may consider a partial week the same as if a whole week were completed, provided the student was present at least one day during the scheduled week.

- b. During the first week of classes, tuition charges withheld will not exceed 10 percent (10%) of the stated tuition up to a maximum of \$1,000.
- c. After the first week and through fifty percent (50%) of the period of financial obligation, tuition charges retained will not exceed a pro rata portion of tuition for the training period completed, plus an administrative fee associated with withdrawal or termination not to exceed \$100.
- d. After fifty percent (50%) of the period of financial obligation is completed by the student, the institution may retain the full tuition for that period.
- e. When calculating a refund, the percentage of tuition retained by the AK9ITA will be based on the portion of the program the student was attending through his or her last date of attendance when the student dropped, not the tuition charged for the entire program listed on the enrollment agreement.

### Refund Computation Example

- The student enrolled in a 13-week program, starting on January 7th, and scheduled to complete on April 4th
  - There are two periods of financial obligation of 6.5 weeks each.
  - The total tuition is \$22,950. Tuition for each period is \$11,475.
  - The last date of attendance (LDA) for the student is January 22nd.
  - The date of determination is January 30th.
- Number of weeks student attended = 3 weeks (46.2%)  
Number of weeks financially obligated = 6.5 weeks

Pro rata portion completed based on 3 weeks	= 46.2%
46.2% of \$11,475 tuition	= \$5296.15 (earned tuition)
10% of unearned tuition (\$11,475-\$5,296.15 = \$6178.85 unearned)	= \$617.89
Owed to institution	= \$5,914.04
Student payment	= \$11,475
Refunded to student by March 6th	= \$5,560.96

### Refund Due Dates

1. If an applicant never attends class (no-show) or cancels the contract prior to the class start date, all refunds due must be made within forty-five (45) calendar days of the first scheduled day of class or the date of cancellation, whichever is earlier.
2. For an enrolled student, the refund due will be calculated using the last date of attendance (LDA) and be paid within forty-five (45) calendar days from the documented date of determination (DOD). The date of determination is the date the student gives written or verbal notice of withdrawal to the institution or the date
